

SBIHI INTISSAR

Final-year Information Systems & Digital Transformation student seeking an end-of-study internship in a forward-thinking company that values innovation and long-term growth. With a strong background in Business Intelligence, Marketing, and Digital Strategy, I thrive in dynamic environments where I can apply my technical expertise, leadership skills, and creative problem-solving abilities. As a UGC Creator, I understand digital engagement and branding, making me a valuable asset for companies looking to enhance their online presence. Passionate about leveraging technology to drive business success, I am eager to learn, contribute, and grow within a challenging and innovative setting, with the goal of securing a full-time position.
